### Advancement portfolio

- \_\_\_\_\_ Complete the advancement portfolio requirement. See the description of that requirement for the deadline. This requirement does not apply to students entering the program with an MA in philosophy.

### Dissertation proposal preparation (3-12 credits)

- \_\_\_\_\_ Take at least 3 hours (but no more than 12 hours) of Advanced Research for preparation of a dissertation proposal.

### Language requirement

- \_\_\_\_\_ There is no general language requirement that applies to all students. However, if competence in one or more languages other than English is determined by a student's dissertation committee to be necessary for the student's dissertation research, the student will be required to demonstrate proficiency in the relevant languages prior to advancement to candidacy by (1) passing the Princeton Foreign Language examination for the language or languages, or (2) passing a translation examination administered and graded by a member of the philosophy department and a faculty member of the appropriate language department or departments.

### Dissertation proposal

- \_\_\_\_\_ Prepare and successfully defend a dissertation proposal.

### Dissertation research (12+ credits)

- \_\_\_\_\_ Students register for PHI 7980: Research for Doctoral Dissertation while working on their dissertations.

### S/U seminar requirement

- \_\_\_\_\_ After advancement to candidacy and satisfaction of the six graded 6000-level seminar requirement, students must enroll in at least one 6000-level seminar on a S/U basis in each semester of full-time enrollment, unless they are otherwise taking a course that satisfies a course requirement that term. Students may not take 6000-level seminars on a S/U basis until they have fulfilled the six graded 6000-level seminar requirement. After they have fulfilled that requirement, they must take 6000-level seminars on a S/U basis.

### Total credits requirement

- \_\_\_\_\_ The PhD requires a total of 90 credits. For relevant Graduate School rules, see <http://gradcatalog.ufl.edu/content.php?catoid=11&navoid=2484>.

### Dissertation and defense

- \_\_\_\_\_ Write and successfully defend a PhD dissertation.
