2 Course Goals

This course will familiarize students with the syntax, semantics, and some of the metalogical results of first-order propositional and predicate logic. Students will also learn some extensions of those first-order logics, such as modal logic. Finally, we will explore connections and differences between formal logic and human reasoning.

3 Textbook

The textbook for the course is Bergmann, Moor, and Nelson's *The Logic Book* (6th edition, McGraw-Hill). Please note that this course will be participating in the UF All Access program for Spring 2023. The ALL ACCESS program will allow you to gain access to the required materials for the course at a significantly discounted price.

- *Please see UF All Access PDF posted in Canvas for directions on how to opt-in and access your course materials.*

4 Attendance and Classroom Policies

Students are expected to attend class and to have done all assigned reading in advance. Failure to do so will adversely affect students' ability to perform well in this course.

Attendance is required and it will be taken, starting on Wednesday 1/18, using the iClicker app (see below for iClicker information).

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:

- <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

Our class sessions may be audio-visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. However, the recording will not be shared unless you have a valid excuse. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voice recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the 'chat' feature, which allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials by students or any other party is prohibited.

In response to COVID-19, the following practices are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones.

1. If you are not vaccinated, get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: <https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/>. Students who receive the first dose of the vaccine somewhere off-campus and/or outside of Gainesville can still receive their second dose on campus.
2. You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated. Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.
 - Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
 - Hand sanitizing stations will be located in every classroom.
3. If you are sick, stay home and self-quarantine. Please visit the UF Health Screen, Test and Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email covid@shcc.ufl.edu) to be evaluated for testing and to receive further instructions about returning to campus. UF Health Screen, Test and Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself. Visit the UF Health Screen, Test and Protect website for more information.
 - Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.
 - If you are withheld from campus by the Department of Health through Screen, Test and Protect you are not permitted to use any on campus facilities. Students attempting to attend campus activities when withheld from campus will be referred to the Dean of Students Office.
4. Continue to regularly visit coronavirus.UFHealth.org and coronavirus.ufl.edu for up-to-date information about COVID-19 and vaccination.
5. This course will NOT be synchronously taught on Zoom.

5 Course Requirements

Five different instruments will be used in order to measure student progress through the course. The name of each instrument, and the relative weight each of them carries in determining your final grade is the following; a brief description of each instrument follows.

Assignment	% of Course Grade
Homework	20%
Group Projects	20%
Attendance	10%
Midterm Exam	20%
Final Exam	30%

5.1 Homework

Homework will be posted on Canvas every Wednesday by three o'clock. Answers are due 10:30 AM on Friday. The reason for this deadline is simple: the solution to the questions in the homework will be given in your discussion section Friday. I will drop the three lowest grades. Homework starts Wednesday 1/18, after the add-drop period.

Unless students have a valid excuse, they will not be allowed to make up missed homework.

5.2 Group Projects

Starting on Friday 1/20, there will be at least one group project during each discussion session. Only students with excused absences will be allowed to make up missed group projects.

5.3 Attendance

Starting on Wednesday 1/18, attendance will be taken on lecture days (Mondays and Wednesdays) using the iClicker system. For information on this system, please see

- <https://classrooms.at.ufl.edu/classroom-technology/iclicker-response-system/>

For this class, you will use the iClicker Student Mobile application (or its web version).

You must create an iClicker account and download the app as soon as possible, but certainly before we start taking attendance on Wednesday 1/18. I will allow two (2) unexcused absences without penalty. Every other absence must either be excused by your instructor in accordance with UF attendance policy or your grade will incur a penalty of 2- percentage points of the attendance grade. However, once a student accumulates seven (7) or more unexcused absences in total they will receive a zero in their attendance grade (i.e., 10% of their total grade).

5.4 Midterm and Final Exams

There will be a take-home midterm and a final exam. See the schedule below for due dates.

Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class. Plagiarism on any assignment will automatically result in a grade of ‘E’ for the course. Plagiarism is defined in the University of Florida’s Student Honor Code as follows: ‘A student shall not represent as the student’s own work all or any portion of the work of another. Plagiarism includes (but is not limited to): a. Quoting oral or written materials, whether published or unpublished, without proper attribution. b. Submitting a document or assignment which in whole or in part is identical or substantially identical to a document or assignment not authored by the student.’ Students found guilty of academic misconduct will be prosecuted in accordance with the procedures specified in the UF honesty policy.

8 Students with disabilities

Students requesting classroom accommodation must first register with the Dean of Students Office (<http://www.dso.ufl.edu/drp>). The Dean of Students Office will provide documentation to the student who must then provide this documentation to the instructor when requesting accommodation.
